Class III • Parent-readable notes

What this unit is about

Basic grammar (parts of speech), opposites and same-meaning words, and well-known stories, rhymes, and the lessons (morals) they teach.

1. Parts of speech

Part	What it does	Examples
Noun	Names a person, place, animal, or thing	boy, Delhi, cat, pen
Verb	An action word	run, jump, eat, read
Adjective	Describes a noun (quality)	tall, red, happy, big
Pronoun	Used in place of a noun	I, you, he, she, it, we, they
Adverb	Tells how an action is done	quickly, slowly, loudly

2. Synonyms and antonyms

- **Synonym** — a word with the **same** meaning (big = large, happy = glad).
- **Antonym** — a word with the **opposite** meaning (day ↔ night, open ↔ shut, begin ↔ end, fast ↔ slow).

3. Sentences

- A sentence begins with a **capital letter** and ends with a **full stop / question mark**.
- Correct: “*She goes to school.*” (not “She go to school.”)

4. Stories, fables and their morals

Story	Moral
The Tortoise and the Hare	Slow and steady wins the race
The Lion and the Mouse	Even the small can help the big
The Thirsty Crow	Where there's a will, there's a way
The Boy Who Cried Wolf	Always tell the truth

- A **fable** is a short story, often with animals, that teaches a moral.
 - A **rhyme/poem** has words that end with similar sounds (Twinkle Twinkle, Jack and Jill).
 - **Alliteration** — words close together that start with the same sound (*big blue balloon*).
-

Common exam traps

- **Run, jump, sing** are **verbs**; **tall, happy, blue** are **adjectives**.
 - A **pronoun replaces a noun** (he, she, they) — “blue” is not a pronoun.
 - **Synonym = same, antonym = opposite** — don't confuse the two.
-

Quick recall

1. Naming word → **noun**; action word → **verb**; describing word → **adjective**
2. Same meaning → **synonym**; opposite → **antonym**
3. Tortoise beats hare → *slow and steady wins*
4. Story with a moral & animals → **fable**
5. “Big blue balloon” → **alliteration**
