

SOF IGKO — Unit 8 Deep-Dive

Sports

Class III • Parent-readable notes

What this unit is about

Popular sports and their equipment, how many players a team has, traditional Indian games, the Olympics, and the good values sports teach.

1. Sports and their equipment

Sport	Equipment	Players (team)
Cricket	Bat, ball, wickets	11
Football	Ball, goal	11
Hockey	Stick, ball	11
Badminton	Racket, shuttlecock	1 or 2 per side
Tennis	Racket, ball	1 or 2 per side
Basketball	Ball, basket	5
Chess	Board and pieces	1 per side

- **National sport of India → Hockey.**
- In **football** players mostly use their **feet**; in cricket a **bat** is used.

2. Traditional Indian games

- **Kabaddi, Kho-kho, Wrestling** — old Indian games that build strength and speed.

3. The Olympic Games

- Held **every 4 years**; athletes from around the world compete.
- The **Olympic flag has 5 rings**.

- Winners get medals: **Gold (1st), Silver (2nd), Bronze (3rd)**.
- Olympic sports include swimming, athletics (running, javelin), wrestling, badminton.

4. Why sports matter

- Keep the body **healthy, strong, and fit**.
 - Teach **teamwork, discipline, patience, and good sportsmanship** (accepting winning and losing gracefully).
 - A **coach** trains and guides players.
-

Common exam traps

- **Hockey** (not cricket) is India's **national sport**.
 - Cricket and football teams have **11 players** each.
 - Badminton uses a **shuttlecock**; ice hockey uses a **puck** — don't mix them.
 - The Olympic flag has **5 rings**, and the Games are every **4 years**.
-

Quick recall

1. National sport → **hockey**
2. Cricket team → **11** players
3. Badminton uses a → **shuttlecock**
4. Olympic rings → **5**; Olympics every → **4 years**
5. Winner's medal → **gold**
6. Indian traditional games → **kabaddi, kho-kho**
